

January 14, 2011

Subject: Vendor Distribution Center Store Move Notification:

Effective, **January 26, 2011** the following stores listed below will cease to be serviced by the Belk Distribution Center in Jackson MS, and start being serviced through the Belk Distribution Center in Blythewood, SC. This change is necessary to support our newly constructed fluid load facility scheduled to begin full operation on February 01, 2011. In addition to this communication we have posted new "Store Shipping/Receiving Locations List" by distribution center.

Vendors should make every attempt to send the correct stores to their servicing distribution center for February receipts. In order to access the store listing information please go to Belk.com at the bottom of the home page click on "About Us" once that page displays in the main body of the page on the left hand side click on "Vendor Info" once you have accessed the "Vendor Info" page scroll down to "Transportation Documents" for the new "Store Shipping/Receiving Locations List" again there is a separate listing by Distribution Center.

Stores Moving from the Belk Jackson MS, Distribution Center to the Belk Distribution Center in Blythewood, SC:
