

NEW Belk Store / Distribution Center Assignments ACTION NEEDED

Date: June 29, 2018

Belk will be making several upcoming changes to our distribution network to meet the growing demands of our business. To expedite the flow of merchandise through our distribution center network and on to our stores, we will be making changes to the current DC – Store assignments. The following stores will be moving from the Blythewood Distribution Center (737) to the Jackson / Byram Distribution Center (744).

STORE	CITY, STATE	STORE	CITY, STATE
684	Athens, GA	269	Bainbridge, GA
692	Cleveland, TN	627	Tallahassee, FL
188	Dalton, GA	274	Thomasville, GA
691	Chattanooga, TN	179	Moultrie, GA
615	Dothan, AL	574	Rome, GA
		39	Cartersville, GA

We will require that these changes be effective with shipments and corresponding invoices beginning on Monday, July 30, 2018. This will apply to any and all shipments departing from your facility on that date. Please keep this date in mind as you plan for and schedule routing.

Belk will not be sending out an updated EDI 816 and will not be updating the Store Delivery Location sheets available at Belk.com until Friday, July 27th. Please be sure to update your systems with the changes advised above for all shipments beginning Monday, July 30th.

Any shipments sent to the wrong DC after Monday, July 30, 2018 will have to be shuttled to the correct DC for receipt. This may cause a delay in your merchandise reaching stores. In addition, if you do not make the changes to your store maps beginning with Monday, July 30, 2018 shipments, you may also see a delay in payment due to necessary realignment of the PO and invoice.

Please begin preparing and planning for any necessary systems work that may be needed to implement these changes as soon as possible. Please be sure to share this notice of upcoming changes with the appropriate teams within your organization including supply chain, EDI, operations, warehouses / order fulfillment / shipping, transportation / routing, manufacturing, and / or sales.

If you have any questions regarding these upcoming changes, please direct them to the Belk Vendor Compliance Communications Team via email at Belk_Compliance@belk.com. Thank you for your continued partnership!
